FNHA Public Health Response
Community Situation Report
July 13th, 2020**

Note: Changes from the previous Community Situation Report are in red.

Purpose

The purpose of this information note is to provide a daily situational overview of the FNHA COVID-19 response activities that are being carried out by the Public Health Response Team and supporting executive leadership.

Background

On March 17, 2020, British Columbia’s (BC) Provincial Health Officer (PHO) declared a public health emergency under the Public Health Act in response to the COVID-19 pandemic. On March 18, 2020, BC’s Public Safety Minister also declared a provincial state of emergency, in an effort to allow the government to support the PHO and Ministry of Health in their response. The details on the Provincial and Public Health Emergencies/Orders related to the COVID-19 pandemic can be found at <https://www2.gov.bc.ca/gov/content/health/about-bc-s-health-care-system/office-of-the-provincial-health-officer/current-health-topics/covid-19-novel-coronavirus>

FNHA Response:

- FNHA is on Week 15 of Level 3 Emergency Response, which means that FNHA spends 80% on COVID-19 and 20% on FNHA operations.
- FNHA will maintain essential services to support First Nations communities during this pandemic.
- Supporting First Nations communities in refreshing their Pandemic Plans, and provide COVID-19 resources for medical transportation, isolation and quarantine.
- Maintaining communications and regular telephone updates with the Regional Health Authorities, Emergency Management of BC, Ministry of Health, First Nations Leadership Council, and Indigenous Services Canada.
- “*First Nations Virtual Doctor of the Day*” is up and running in all five regions, which is to close this gap by providing virtual access of physicians to First Nations communities.
- Working with Federal and Provincial partners to obtain Personal Protective Equipment (PPE) for health care staff and first responders in all communities:
 - The 1st Provincial delivery of PPE was received on March 27 and was shipped to Regional Offices on March 28.
 - The 2nd Provincial delivery of PPE was received on April 3 and shipped out to Regional Offices for April 6th week delivery. The 3rd Provincial delivery of PPE was received April 7th and sent out to Regional Offices on April 8th.
 - A Federal and 4th Provincial shipment of PPE arrived in Vancouver on April 15th and sent out to Regional Offices on April 20th.
 - 5th PPE order from Province received week of April 20 and shipped to the Regional offices on April 27th.
 - 6th PPE order from Province received April 29th will be repackaged and shipped to the Regional offices for Monday May 4th.
