Community Health Services

Wellness Worker

1 Year Term Contract | Open until Filled

July 2017

Tl'azt'en Nation is seeking a dynamic individual to fill a new and innovative role as Wellness Worker in our Binche Nancy Tom Health Centre. The Community Health Services Wellness Worker will provide support services that are community driven. Our ideal candidate is a motivated self-starter who is committed to the betterment of our clients and community. They are culturally aware and will work to ensure that the social determinants of health are being met. You are a resource to clients in helping them to achieve their wellness goals and have a passion for working with youth and elders.

Duties and Responsibilities

- Experiencing in delivering community health services with a focus on preventative health care.
- Knowledge and experience creating and implementing group programs.
- Ability to work as part of a team.
- Strong listening skills and the ability to communicate in a respectful and safe way.
- Experience working in a First Nation's community with knowledge of culture and traditions.
- Work Schedule Tuesday-Saturday with the expectation of evening work.

Qualifications

- 1-3 Years of relevant work experience in a health or social service related discipline.
- Associate degree preferred in health, social services or a related field
- Valid Class 5 Driver's Licence, Class 4 Preferred
- Subject to a Criminal Record Check & Vulnerable Sector Check prior to employment
- Experienced with MS Office, Internet and general computer proficiency
- Valid First Aid and CPR
- Any other relevant certifications

**Please submit you cover letter and resume outlining how you meet these qualifications.
Successful candidates will be contacted for an interview. Proof of certifications required
prior to employment.**
