

**BC Women's Hospital & Health Centre (BCW)** is the only facility in British Columbia devoted primarily to the health of women, newborns and families. It provides a broad range of specialized women's health services that address the health needs of women of all ages and backgrounds. BC Women's is one of the largest maternity facilities in Canada, with over 7,000 births a year, and is both the major primary and secondary maternity services provider in the Lower Mainland and the cornerstone of the provincial tertiary care system. As an academic health centre BCW's mandate includes providing strong leadership in research and the education and professional development of health care professionals in areas related to the health of the populations we serve.

**BCW** is an agency of the **Provincial Health Services Authority (PHSA)** which plans, manages and evaluates specialty and province-wide health care services across BC. ***PHSA embodies values that reflect a commitment to excellence. These include: Patients first • Best value • Results matter • Excellence through knowledge • Open to possibilities.***

## **Community Liaison Nurse, Indigenous Complex Care Coordination**

Reference #47142

**Regular Full Time**

\$31.71/hr-\$41.63/hr

4500 Oak Street

Vancouver, BC V6H 3N1

Acts as the primary communication link between BC Women's, BC Children's, and provincial and community programs on behalf of the Indigenous Complex Care Coordination program. In collaboration with other healthcare members and the family, plans for transfer of care and discharge planning of Indigenous patients from BC Women's and BC Children's to the community where the family resides.

### **Qualifications:**

#### Education, Training and Experience

- Current practicing registration with the College of Registered Nurses of British Columbia (CRNBC).
- Graduate of an approved School of Nursing plus two years recent, related experience in women and/or child centred practice or an equivalent combination of education and experience.
- Current CPR and NRP certification.
- Pursuant to Section 41 of the British Columbia Human Rights Code, preference will be given to applicants of Aboriginal Ancestry.

#### Skills and Abilities

- Comprehensive knowledge of Indigenous history, cultures, communities, cultural interference, social determinants of health, and Indigenous health policy and direction.
- Knowledge and understanding of services and philosophy of public health nursing.
- Ability to know and assess the need for and initiate the use of community services.
- Ability to communicate effectively, both verbally and in writing.
- Ability to counsel the complex families.
- Demonstrated ability to provide culturally sensitive nursing services to Indigenous populations.
- Ability to work independently and as a member of a multi-disciplinary team.
- Ability to prioritize and organize work.
- Ability to operate related equipment.
- Demonstrated computer skills.
- Ability to promote and facilitate change, in alignment with Paige's Story (2015) and the Truth and Reconciliation Call to Action report (2015).
- Physical ability to perform the duties of the position.
