- Two years post-secondary education in a social science or health science degree program
- some knowledge of therapeutic life skills strategies and will have a back ground in Early Childhood Education or equivalent experience and training

KNOWLEDGE, SKILLS, AND ABILITIES

- First Nations Culture and traditions (specifically Carrier and Sekani)
- Traditional and contemporary child care, development and methodology from perinatal to 6 years Child and Family Community Service Act knowledge and accompanying acts and regulations pertinent to the child welfare system
- Socio-economic prevention strategies
- Community resources knowledge and networking abilities
- Knowledge of case management and wrap around service provision strategies
- Knowledge of parenting education, child development, health, wellness and healing, addictions, family violence, abuse, self-esteem, disabilities.
- Strong facilitation skills, assessment skills and counseling skills
- Prevention, intervention and crisis intervention skills
- Ability to formulate effective community, family and individual goal plans, care and treatment plans
- Strong advocacy skills
- Ability to work independently and within a team setting
- Computer skills using Microsoft Office suite (MS Word, Excel)
- Excellent oral and written communication skills to compose reports and charting
- Maintain confidentiality concerning client files
- Ability to prioritize, manage time, and organize

WORKING/SPECIAL CONDITIONS

- Initial and on-going employment is subject to submission of a clear Criminal Record check; required every three years per CSFS policies.
- Ongoing professional development as necessary
- Valid Class 5 B.C. Drivers License and reliable vehicle with required business insurance

Creating wellness together.
