Job Posting

Early Childhood Educator/Family Cultural Worker

Position Summary

Scw'exmx Community Health Services Society is seeking an:

Early Childhood Educator/Family Cultural Worker for the three Scw'exmx Community Health communities. This position supports parents and children in offering safe, nurturing, and cultural programming for children from birth to 5 years of age.

The employee will develop and carry out programming for families such as parenting groups, crafts (especially culturally based, e.g. moccasins, cradleboards, etc.), and activities that support social and physical development, (swimming, nature, museums, etc.).

Other programming may include cooking and baby-food making classes, elder story-time and teaching sessions, cultural outings, and various activities as requested by parents and communities. One-to-one office and home visits are also a job component.

Summary of Qualifications

- Planning and implementing developmentally appropriate activities and experiences
- Knowledge of the Aboriginal community
- Knowledge of crafts and cooking
- Ensuring a healthy and safe environment for children and parents
- Encouraging children's learning and development
- Maintaining positive communication with parents and families
- Inclusion of children requiring extra support

In addition, each Substitute Childcare Worker will have:

- Valid ECE Certification
- Minimum one-year experience working with children and their families
