

Tsilhqot'in National Government
CAREER OPPORTUNITY
Registered Dietician

Position Title: Registered Dietician
Classification: Full Time
Location: Tsilhqot'in National Government

The Tsilhqot'in Health Department is seeking to hire a Registered Dietician to work in the six communities of the Tsilhqot'in Nation.

In accordance with established vision and values of the organization, the Dietitian is a member of a multidisciplinary health care team and provides nutrition care and support to individuals, patients, residents and groups according to established policies, standards and procedures.

Utilizing clinical techniques and knowledge, the Dietitian provides nutrition services through: nutrition assessment; care planning and charting; intervention, goal setting and monitoring; counseling and education programs; consults and communicates with the multidisciplinary care teams; acts as a resource to other health professionals and communities within Interior Health.

The Dietitian provides input to the Health Directors and Nurses in the communities by participating in the development of nutrition practice guidelines and procedures; research and continuous quality improvement initiatives for the programs.

QUALIFICATIONS:

Education, Training and Experience:

Baccalaureate degree in nutrition and dietetics.

Registrant of the College of Dietitians of British Columbia.

One year of clinical nutrition experience in a health care environment preferred.

Valid BC Driver's License.

Skills and Abilities:

Teaching: Ability to teach clients and others both one-on-one and in groups.

Knowledge Integration: Integrates best practice and current research evidence to support professional practice decisions and actions. Knowledge of Traditional Foods and way to incorporate those foods into everyday diets. Knowledge of the Tsilhqot'in Nation and First Nations practices.

Communication: Demonstrated ability to communicate effectively with clients, families, the public, medical staff and the members of the interdisciplinary team using, oral written and computer communication means.

Management: Demonstrated ability to organize work, set objectives and establish priorities, manage time and resources, implements activities to promote cooperation among the interdisciplinary team, supervise responsibilities of others, and collaborates across disciplines.

Teamwork: Demonstrated ability to foster teamwork and a commitment to excellence in the provision of client care.

Equipment: Demonstrated computer skills including the use of Windows based programs. Demonstrated data analysis skills including appropriate data analysis and reporting tools. Demonstrated ability in the use of e-mail and word processing. Ability to operate other related equipment as required in the specific practice area.

Physical ability to perform the duties of the position.
