Note: Changes from the previous Community Situation Report are in red.

Purpose

The purpose of this information note is to provide a daily situational overview of the FNHA COVID-19 response activities that are being carried out by the Public Health Response Team and supporting executive leadership.

Background

Provincial COVID-19 Cases – Update as of June 24, 2020 at 3:00pm

There are 2849 confirmed cases in BC, and a total of 171 deaths. Of these, 14 cases and one (1) death were confirmed as of June 24th. The regional breakdown is as follows:

- Vancouver Coastal: 963
- Fraser: 1,491
- Vancouver Island: 131
- Interior: 199
- Northern: 65

As of June 24th, there are 162 active cases in the province. Currently, 14 people are hospitalized and of those, 7 people are in ICU. Of the total number of cases, 2,516 (88%) patients have fully recovered.

Active Outbreaks

- Long term care/assisted living centres/acute care units: 7 outbreaks
- Community outbreaks: 6

Premier John Horgan announced that as of June 24, 2020, BC will proceed to Phase 3 of the COVID-19 recovery plan and reiterated the extension of the Public Health Emergency until July 7, 2020.

First Nations COVID-19 Cases

The total number of First Nations COVID-19 lab confirmed cases 87 in BC as of June 19, 2020. Most of the lab confirmed cases of COVID-19 among First Nations in BC have now recovered and there are currently fewer than 5 active cases across the province.

Note:

Analyses for In or Near Community only includes lab confirmed cases, 3 additional epi-linked cases, and 1 additional case tested outside of BC are included in the cases by Health Authority.

There is an increase in the total cases in or near community. This is not a new case, we received some improved location data for a previously reported epi-linked case and were able to identify it as being in or near a community. This case has already recovered.
On First Nations reserves in provinces, as of June 15, ISC is aware of:

- 247 confirmed positive COVID-19
- 22 hospitalizations
- 208 recovered cases
- 6 deaths

**FNHA Response:**

- FNHA is on Week 13 of Level 3 Emergency Response, which means that FNHA spends 80% on COVID-19 and 20% on FNHA operations.
- FNHA will maintain essential services to support First Nations communities during this pandemic.
- Supporting First Nations communities in refreshing their Pandemic Plans, and provide COVID-19 resources for medical transportation, isolation and quarantine.

• “First Nations Virtual Doctor of the Day” is up and running in all five regions, which is to close this gap by providing virtual access of physicians to First Nations communities.

• Working with Federal and Provincial partners to obtain Personal Protective Equipment (PPE) for health care staff and first responders in all communities.
  ➢ The 1st Provincial delivery of PPE was received on March 27 and was shipped to Regional Offices on March 28.
  ➢ The 2nd Provincial delivery of PPE was received on April 3 and shipped out to Regional Offices for April 6th week delivery. The 3rd Provincial delivery of PPE was received April 7th and sent out to Regional Offices on April 8th.
  ➢ A Federal and 4th Provincial shipment of PPE arrived in Vancouver on April 15th and sent out to Regional Offices on April 20th.
  ➢ 5th PPE order from Province received week of April 20 and shipped to the Regional offices on April 27th.
  ➢ 6th PPE order from Province received April 29th will be repackaged and shipped to the Regional offices for Monday May 4th.
  ➢ 7th Provincial PPE order and arrived in Regions May 8th
  ➢ 8th Provincial PPE order and arrived in Regions May 19th.
  ➢ 9th Provincial PPE order and was sent to Regions on May 26th.
  ➢ 10th order of PPE arrived May 27 and was sent to Regions during the week of June 1st.
  ➢ 11th order of PPE shipped directly from Provincial Health Services Authority to Regional offices of June 8th.
  ➢ 12th order of PPE order and shipped the week of June 15th.
  ➢ Since the beginning of June, 2 shipments of the Community Safety COVID-19 Supplies (CSCS) have gone out and, the regions received both PPE and CSCS at the same time. We are currently waiting for our shipment for the week of June 22nd.

• FNHA is working on access to point of care testing, self-isolation and quarantine options with our Federal, Provincial Government partners and the Canadian Red Cross to support First Nations communities and urban settings.

• Compounding the COVID-19 response is the re-emerging of the opioid overdoses and starting of flooding and forest fires that are affecting our First Nations communities.

• With the announcement of the Rural, Remote and Indigenous Framework, the FNHA will be working with its partners, and First Nations communities to identify needs and develop plans at both the regional and community level.

• FNHA is in discussions federally and provincially to support BC Restart including reopening of public buildings, and return to work and business operations for facilities.

• FNHA and First Nations Leadership calls on March 26, April 9, April 23, May 7, May 27 and June 4.

• FNHA and First Nations Health Directors calls on April 3, April 17, May 1, May 15 and May 29.

• FNHA and First Nations Leadership and Health Directors calls on June 18.

• The Business Resumption Planning Guide was posted to the FNHA Website. https://www.fnha.ca/Documents/FNHA-Services-Resumption-Planning-Guide.pdf

FNHA Resources:
The FNHA website has been updated and has been divided into three sections: Community Leaders, Health Professionals and Public. https://www.fnha.ca/what-we-do/communicable-disease-control/coronavirus. See Appendix “A” for full list of COVID Resources.
