COVID-19 Updates

Provincial COVID-19 Cases – Update as of November 27, 2020 at 5:33pm:
There have been a total of 30,844 confirmed cases in BC, and 395 deaths. As of November 27, there were 8,472 active cases in the province, 301 people were hospitalized and of those, 69 people were in ICU. There are 10,430 people under active public health monitoring due to an identified exposure. Of the total number of cases 21,304 (69.1%) patients have fully recovered.

Active Outbreaks:
- Long-term care/assisted living centres: 52 outbreaks
- Acute care units: 5 outbreaks

First Nations COVID-19 Cases:
As of November 25, 2020, the total number of First Nations COVID-19 cases are 1,063. Out of these 1,063 cases, there are 1,020 lab diagnosed cases and 43 epi-linked cases. There are 271 active First Nations COVID-19 cases in BC, 75 of the active cases were in or near community as of November 25, 2020. Most of the lab confirmed cases of COVID-19 among First Nations in BC have now recovered. Sadly, there have been total 13 COVID-19 related deaths reported among First Nations living in BC since the beginning of the pandemic. There have been a total 126 (12.6%) First Nations people hospitalized due to COVID-19 since March 1, 2020.
Total number of cases (n=1063) includes two COVID-19 cases reported as residents of Yukon. Above figure provides regional distribution of COVID-19 cases (n=1061) reported as BC residents.

Data Sources: PHSA Public Health Lab Data and BCDC’s COVID-19 Surveillance Line List
Note: Analyses for in or Near Community includes lab confirmed cases and epi-linked cases with known geographical information. Other cases (including case tested outside of BC) are included in the cases by Health Authority. As of November 25, 2020, there were 75 active First Nations COVID-19 cases residing in or near community.

The majority (71.5%) of cases among First Nations have occurred in those under age 50.
The cumulative percent positive for all COVID-19 test completed for First Nations in BC was 3.82% as of November 25, 2020. The rate of positive cases was 654.7 per 100,000 people among First Nations. The rate of positive case among other residents of BC was 588.8 per 100,000 people.

Epidemic curve for COVID-19 cases among BC First Nations by episodic date (coloured bar), report date line) and health authority, British Columbia February 23, 2020 (Week-9) – November 24, 2020 (Week-48*) (n=997)

On First Nations reserves in all provinces, as of November 27, 2020, Indigenous Services Canada is aware of:

- 3,645 confirmed positive COVID-19
- 1,399 active cases
- 157 hospitalizations
- 2,215 recovered cases
- 31 deaths

Case numbers per region:
- British Columbia: 273
- Alberta: 1,137
- Saskatchewan: 994
- Manitoba: 906
- Ontario: 190
- Quebec: 145
First Nations Community Statistics from Indigenous Services Canada (November 19, 2020):

- Band Office Closure – 144 (0 update)
- Band Office Reopening – 1 (0 update)
- Tribal Council Office Closure – 16 (0 updates)
- Tribal Council Office Re-opening – (0 updates)
- Community Closure – 115 (0 updates)

- State of Local Emergency Declared – 65 (0 update)
- State of Local Emergency Rescinded – 1 (0 update)
- EOC Activations – 120 (0 update)
- EOC Closed – (0 update)

FNHA Response

- FNHA is on Week 35 of Level 3 Emergency Response, which means that FNHA spends 80% on COVID-19 and 20% on FNHA operations.
- Compounding the COVID-19 response is the increase in overdose deaths and re-emergence of flooding and forest fires that are affecting our First Nations communities.

Working with Partners:
- FNHA continues to work with its partners, and First Nations communities to identify needs and develop plans at both the provincial, and regional level for the Rural, Remote and Indigenous Framework.
- FNHA is in discussions federally and provincially to support BC Restart including reopening of public buildings, and return to work and business operations for facilities.

Working with First Nations:
- Continues to maintain essential services to support First Nations communities during this pandemic.
- Supporting First Nations communities in refreshing their Pandemic Plans, and provide COVID-19 resources for medical transportation, isolation and quarantine.
- “First Nations Virtual Doctor of the Day” is up and running in all five regions, which is to close this gap by providing virtual access of physicians to First Nations communities.
- FNHA continues to maintain operations team availability to respond to Isolation requests through the weekends during business hours.
- Site selection, training and deployment of Point of Care Testing for COVID-19 is underway.
- Supporting First Nations communities with the re-opening of their health centres.
- FNHA and First Nations Leadership calls on March 26, April 9, April 23, May 7, May 27 and June 4.
- FNHA and First Nations Health Directors calls on April 3, April 17, May 1, May 15 and May 29.
- FNHA and First Nations Leadership and Health Directors calls on June 18, July 9, July 16, July 23, July 30, August 20 and September 17.

Personal Protective Equipment:
- The FNHA continues to work with Federal and Provincial partners to obtain Personal Protective Equipment (PPE) for health care staff and first responders in all communities.
- PPE orders are received and shipped to all Regional Offices weekly basis.
- First Nations communities requiring personal protective equipment during the COVID-19 emergency can send their requests to the FNHA at the following email: COVID19needs@fnha.ca. Please refer to additional details in the FNHA Guide: Accessing Personal Protective Equipment for First Nations Communities: https://www.fnha.ca/Documents/FNHA-Accessing-Personal-Protective-Equipment-for-First-Nations-Communities.pdf

FNHA Resources

The FNHA website has been updated and has been divided into three sections: Community Leaders, Health Professionals and Public. https://www.fnha.ca/what-we-do/communicable-disease-control/coronavirus.

The FNHA has published an updated Communicable Disease Emergency Response (CDER) plan template – a living document that is user friendly, easy to follow and adaptable to each community’s needs and strengths. https://www.fnha.ca/Documents/fnha-communicable-disease-emergency-response-plan.docx

FNHA’s Communicable Disease Emergency (CDE) team is available to support communities, including support updating/creating a Communicable Disease Emergency Response (CDER) plan, scenario/exercise discussions and full scale planning exercises. The CDE Management team can be reached via email: cdmgmt@fnha.ca
