Note: Analyses for In or Near Community includes lab confirmed cases and epi-linked cases with known geographical information. Other cases (including case tested outside of BC) are included in the cases by Health Authority. As of October 19, 2020, there were 6 active First Nations COVID-19 cases residing in or near community.

The majority (70.0%) of cases among First Nations have occurred in those under age 50.

The cumulative percent positive for all COVID-19 test completed for First Nations in BC was 3.31% as of October 19, 2020. The rate of positive cases was 404 per 100,000 people among First Nations. The rate of positive case among other residents of BC was 228 per 100,000 people.
The epidemic curve shows the number of COVID-19 cases reported each day throughout the epidemic. Despite small outbreaks early in the pandemic, relatively few cases were reported on a daily basis, with periods spanning days or weeks where zero new cases were reported. Since approximately August 18 there has been an increasing number of daily cases with no days where zero new cases were reported.

On First Nations reserves in all provinces, as of October 20, 2020, Indigenous Services Canada is aware of:

- 1068 confirmed positive COVID-19 cases per region:
  - British Columbia: 176
  - Alberta: 380
  - Saskatchewan: 200
  - Manitoba: 117
  - Ontario: 132
  - Quebec: 63

- 315 active cases
- 72 hospitalizations
- 713 recovered cases
- 14 deaths

First Nations Community Statistics from Indigenous Services Canada (October 8, 2020):

- Band Office Closure – 144 (1 update)
- Band Office Reopening – 1 (0 update)
- Tribal Council Office Closure – 16 (0 updates)
- Tribal Council Office Re-opening – (0 updates)
- Community Closure – 114 (0 updates)
- Community Closure Over – (0 update)

- State of Local Emergency Declared – 65 (0 update)
- State of Local Emergency Rescinded – 1 (0 update)
- EOC Activations – 120 (0 update)
- EOC Closed – (0 update)
FNHA Response

- FNHA is on Week 29 of Level 3 Emergency Response, which means that FNHA spends 80% on COVID-19 and 20% on FNHA operations.
- Compounding the COVID-19 response is the increase in overdose deaths and re-emergence of flooding and forest fires that are affecting our First Nations communities.

Working with Partners:
- FNHA continues to work with its partners, and First Nations communities to identify needs and develop plans at both the provincial, and regional level for the Rural, Remote and Indigenous Framework.
- FNHA is in discussions federally and provincially to support BC Restart including reopening of public buildings, and return to work and business operations for facilities.

Working with First Nations:
- Continues to maintain essential services to support First Nations communities during this pandemic.
- Supporting First Nations communities in refreshing their Pandemic Plans, and provide COVID-19 resources for medical transportation, isolation and quarantine.
- “First Nations Virtual Doctor of the Day” is up and running in all five regions, which is to close this gap by providing virtual access of physicians to First Nations communities.
- FNHA continues to maintain operations team availability to respond to Isolation requests through the weekends during business hours.
- Site selection, training and deployment of Point of Care Testing for COVID-19 is underway.
- Supporting First Nations communities with the re-opening of their health centres.
- FNHA and First Nations Leadership calls on March 26, April 9, April 23, May 7, May 27 and June 4.
- FNHA and First Nations Health Directors calls on April 3, April 17, May 1, May 15 and May 29.
- FNHA and First Nations Leadership and Health Directors calls on June 18, July 9, July 16, July 23, July 30, August 20 and September 17.

Personal Protective Equipment:
- The FNHA continues to work with Federal and Provincial partners to obtain Personal Protective Equipment (PPE) for health care staff and first responders in all communities.
- PPE orders are received and shipped to all Regional Offices weekly basis.
- First Nations communities requiring personal protective equipment during the COVID-19 emergency can send their requests to the FNHA at the following email: COVID19needs@fnha.ca. Please refer to additional details in the FNHA Guide: Accessing Personal Protective Equipment for First Nations Communities: https://www.fnha.ca/Documents/FNHA-Accessing-Personal-Protective-Equipment-for-First-Nations-Communities.pdf

FNHA Resources

The FNHA website has been updated and has been divided into three sections: Community Leaders, Health Professionals and Public. https://www.fnha.ca/what-we-do/communicable-disease-control/coronavirus.

The FNHA has published an updated Communicable Disease Emergency Response (CDER) plan template – a living document that is user friendly, easy to follow and adaptable to each community’s needs and strengths. https://www.fnha.ca/Documents/fnha-communicable-disease-emergency-response-plan.docx

FNHA’s Communicable Disease Emergency (CDE) team is available to support communities, including support updating/creating a Communicable Disease Emergency Response (CDER) plan, scenario/exercise discussions and full scale planning exercises. The CDE Management team can be reached via email: cdmgmt@fnha.ca.
See Appendix “A” for full list of COVID Resources.
