First Nations COVID-19 Cases:

As of **September 30, 2020**, total number of First Nations COVID-19 cases were **528**. Out of these 528 cases, there are **499 lab confirmed cases and 29 epi-linked cases**. There were **141 active** First Nations COVID-19 cases in BC, **28** of the active cases were in or near community as of **September 30, 2020**. Most of the lab confirmed cases of COVID-19 among First Nations in BC have now recovered. There have been a total of **67 (13%)** First Nations people hospitalized due to COVID-19 since March 1, 2020.

Note: Analyses for In or Near Community includes lab confirmed cases and epi-linked cases with known geographical information. Other cases (including case tested outside of BC) are included in the cases by Health Authority.

The majority (**69.7%**) of cases among First Nations have occurred in those under age 50.

Active cases by Health Authority:

- 33 in Fraser Salish
- Less than 5 in Interior
- 16 in Northern
- 84 in Vancouver Coastal
- Less than 5 on Vancouver Island

The cumulative percent positive for all COVID-19 test completed for First Nations in BC was **3.27%** as of **September 30, 2020**. The rate of positive cases was **325 per 100,000** people among First Nations. The rate of positive case among other residents of BC was **175** per 100,000 people. Until recently the rate for First Nations has been similar to other residents, this has only changed with the increase in cases in recent weeks.

Epidemic curve for First Nations COVID-19 cases (n=514), February 25-September 30, 2020

FNHA Response

- FNHA is on Week **27** of Level 3 Emergency Response, which means that FNHA spends 80% on COVID-19 and 20% on FNHA operations.
- Compounding the COVID-19 response is the increase in overdose deaths and re-emergence of flooding and forest fires that are affecting our First Nations communities.

Working with Partners:

- Maintaining communications and regular telephone updates with the Regional Health Authorities, Emergency Management of BC, Ministry of Health, First Nations Leadership Council, and Indigenous Services Canada.
- FNHA continues to work with its partners, and First Nations communities to identify needs and develop plans at both the provincial, and regional level for the Rural, Remote and Indigenous Framework,
- FNHA is in discussions federally and provincially to support BC Restart including reopening of public buildings, and return to work and business operations for facilities.

Working with First Nations:

- Continues to maintain essential services to support First Nations communities during this pandemic.
- Supporting First Nations communities in refreshing their Pandemic Plans, and provide COVID-19 resources for medical transportation, isolation and quarantine.
- “*First Nations Virtual Doctor of the Day*” is up and running in all five regions, which is to close this gap by providing virtual access of physicians to First Nations communities.
- The First Nations Virtual Substance Use and Psychiatry Service launched on August 25, 2020.
- Distributed guidelines for eligible COVID-19 items for BC First Nations Communities, including details on reimbursement specific to Community COVID-19 Public Health Check-points, on September 25, 2020. (See updated COVID-19 Community Support Guide in FNHA Resources section below).
- FNHA continues to maintain operations team availability to respond to Isolation requests through the weekends during business hours.
- Site selection, training and deployment of Point of Care Testing for COVID-19 is underway.
- Supporting First Nations communities with the re-opening of their health centres.
- FNHA and First Nations Leadership calls on March 26, April 9, April 23, May 7, May 27 and June 4.
- FNHA and First Nations Health Directors calls on April 3, April 17, May 1, May 15 and May 29.
- FNHA and First Nations Leadership and Health Directors calls on June 18, July 9, July 16, July 23, July 30, August 20 and September 17.

Personal Protective Equipment:

- The FNHA continues to work with Federal and Provincial partners to obtain Personal Protective Equipment (PPE) for health care staff and first responders in all communities.
- PPE orders are received and shipped to all Regional Offices weekly basis.
- First Nations communities requiring personal protective equipment during the COVID-19 emergency can send their requests to the FNHA at the following email: COVID19needs@fnha.ca. Please refer to additional details in the FNHA Guide: Accessing Personal Protective Equipment for First Nations Communities: <https://www.fnha.ca/Documents/FNHA-Accessing-Personal-Protective-Equipment-for-First-Nations-Communities.pdf>
