## FNHA'S FIVE-YEAR PLAN:

# Seeking Input in Fall 2020

The renewal of FNHA's Five-Year Plan provides an opportunity to shape the next five years of our journey towards "Healthy, Self-determining and Vibrant BC First Nations Children, Families and Communities." We are currently in the last year of FNHA's plan, and we are looking to gather input in Fall 2020 to shape our organization's path from April 2022-2027.

### **PURPOSE:**

Gather input from FNHA staff on FNHA's goals and priorities for the next five years. Information from these engagements will be used to draft a new Five-Year Plan.

### **OPTIONS FOR PROVIDING FEEDBACK:**

#### **1. ONLINE-BASED WRITTEN RESPONSE:**

Planning and priority setting information and feedback questions will be publicly available until the end of November 2020.

- Access the online feedback form here:  
<https://interceptum.com/s/en/MYHP>

#### **2. PAPER-BASED WRITTEN RESPONSE:**

Paper packages can be requested and mailed to participants by contacting the planning and evaluation team by e-mail [ppqplanning@fnha.ca](mailto:ppqplanning@fnha.ca) or by phone: 1.866.913.0033

#### **3. VIRTUAL FOCUS GROUPS:**

A series of 90-minute virtual focus groups were held in October 2020. Additional focus groups continue to be available on request. A series of follow-up focus groups will be held in Spring 2021.

If you would like to request a focus group to provide input into the plan, please contact the FNHA's planning and evaluation team at [ppqplanning@fnha.ca](mailto:ppqplanning@fnha.ca) or 1.866.913.0033 to schedule
