

First Nations Health Authority
Health through wellness

FNHA *Community Health & Wellness/Health Protection*

Tuberculosis Services

What do we provide?

- Culturally-informed TB wellness promotion, training and consultation to CHN's, CHW's, Health Directors and Community Members
- Coordination & guidance in the holistic case management of TB disease, latent TB infection and contact tracing
- Coordination to BCCDC TB Services in the provision of physician, lab, pharmacy and epidemiology
- Educational materials for community distribution
