# NOT JUST NALOXONE WORKSHOP:

## Talking about substance use in Indigenous communities

**Not Just Naloxone (NJN) is a workshop hosted by the First Nations Health Authority and is delivered in partnership by the Four Directions Team, Regional Team and community harm reduction champions. This training was developed in response to the toxic drug crisis in BC, which continues to disproportionately impact Indigenous people.**

While Naloxone is an effective life-saving medicine to reverse an overdose, it is not our only response. The NJN workshops teach participants to facilitate community-based discussions about:

- > Racism and prohibition in Canada
- > Decolonizing substance use
- > Indigenous harm reduction practices
- > Trauma- and resiliency-informed practice
- > Anti-stigma work
- > Naloxone training (nasal/injection)
